Twenty-Sixth Annual Report

OF THE

ROYAL HOSPITAL,

RICHMOND, SURREY.

*Read at the Annual Meeting of Governors and Subscribers held
at the Hospital on Saturday, February 17th, 1894.*

H.H. THE DUKE OF TECK, G.C.B.,
IN THE CHAIR.

THE Committee of Management in presenting their Twenty-sixth Report to the Governors and Subscribers, congratulate them on having obtained during the past year the Patronage of Her Most Gracious Majesty the Queen, and her command that the Hospital shall for the future be known as the "Royal Hospital."

The statement of accounts is still far from satisfactory, the income of the year not having been equal to the expenditure for the same period, which has necessitated the withdrawal of £500 from the small funded property of the Institution. This excess of expenditure over income is partly accounted for by a resolution of the Committee, which directed various donations, &c., being placed to the credit of the new Building Fund for the "Princess May's Ward for Children," which would otherwise have been credited to the General Funds of the Hospital. This resolution has since been cancelled.

The amount received for subscriptions in the year 1893 slightly exceeded that in 1892, but the donations for the same period were slightly less.

The Committee regret having to report that the Hospital Sunday Collections for last year were only £404 16s. 11d., whereas for the previous year they were £467 12s. 7d., being a falling off of £62 15s. 8d., and the Friendly Societies Hospital Saturday Demonstrations a decline of £13 9s. 9d.

The Collecting Boxes show a small increase on last year, and the Committee take this opportunity of recognising with warm thanks the support thus given to the Hospital by the working classes.

The Public Dinner, held at the Star and Garter Hotel on the 27th of April last, in aid of the New Building Fund of the Hospital and the establishment of the "Princess May's Ward for Children," at which H.R.H. the Duke of Cambridge, supported by H.H. the Duke of Teck, was graciously pleased to preside, and which was also graced with the presence of H.R.H. the Duchess of York and H.R.H. the Princess Mary Adelaide, Duchess of Teck, was a great success. The total amount collected at the dinner being £1,871 1s., which included a donation of £20 from Her Majesty the Queen, in addition to which Mr. J. D. Charrington promised a donation of £1,000 for the founding of a cot to be called the "Hilda May Cot." Other donations received for the same object have raised the amount at present at the disposal of the Committee to £3,832 10s. 5d. A resolution with regard to this Fund will be submitted to the Governors this afternoon.

The following Donations were received last year, in addition to others of a less amount than £10, viz., the late Mrs. Farnell-Watson, legacy £100; Lady Sudeley, fifty guineas; the Rugby Football Union, £20; the Kew Subscription Dances, fifteen guineas; and Messrs. John Aird and Sons, £15 10s.

The Committee regret to report the deaths during the past year of the Honourable Mrs. Tollemache, a great supporter of the Hospital, and Mrs. Farnell-Watson, who had been a subscriber since its establishment.

The Members of Committee retiring by rotation are Mr. Anderson, Mr. Burgoyne, Mr. Hickman, Mr. Noyce, and Mr.

Clarence Roberts, all of whom, with the exception of Mr. Anderson who has resigned, are eligible and offer themselves for re-election. Three other vacancies occur in the Committee by the resignations of Mr. Carlile, Mr. O'Leigh Clare, and the Rev. J. H. Edgar.

The Committee gratefully acknowledge the valuable and useful gifts received during the past year from many friends of the Hospital, a list of which will be found at the end of this Report.

In conclusion the Committee wish to record their sense of gratitude to the Honorary Medical Officers for their valuable services, and also their appreciation of the manner in which the members of the Staff have carried out their duties.

ROBERT W. SPARKS, Chairman.

GEORGE C. ROWLAND, Secretary.

N.B—Subscribers having tickets for which they have no demand will greatly oblige by forwarding them to the Secretary, as many applications for tickets are made to him at the Hospital.

Tickets for Convalescent Homes will also be most thankfully received, as they are often much needed.

THE ROYAL HOSPITAL, RICHMOND, SURREY.

Princess May's Ward for Children.

THE lowest Tender received by the Committee for the enlargement and establishment of **Princess May's Ward for Children** is £5,700. Towards this sum the Committee have in hand £3,856. Further donations are most earnestly solicited, and will be thankfully received by the Secretary at the Hospital.

PLEASE ADD MY NAME TO YOUR LIST FOR THE FOLLOWING DONATION.

PRINCESS MAY'S WARD FOR CHILDREN.

THE amount at present standing to the credit of the New Building Fund, for the enlargement of the Hospital and the establishment of the "Princess May's Ward for Children," is nearly £4,000, and at a meeting of the Governors of the Hospital, held on the 17th of February last, when H.H. The Duke of Teck, G.C.B., was graciously pleased to preside, the following resolution was passed :—

"That the Governors do approve of the Committee's recommendation that Messrs. Soole and Son's Tender of £2,665, for the building of the Princess May's Children's Ward and Isolation Ward only, be accepted, and that it be an instruction to the Committee to use their most strenuous efforts to raise a sufficient sum to complete the whole scheme, as submitted to H.R.H. The Duchess of York, as soon as possible, and that the Governors pledge themselves to second the efforts of the Committee by every means in their power."

The object of building the Children's Ward first, is that the accommodation thus obtained may be used for administrative purposes during the alterations rendered necessary to the old building; and the opening of the New Ward to Patients will be deferred till further funds are received and the necessary arrangements made for the housing of the staff, &c.

The lowest tender for the carrying out of the whole scheme is £5,700, to which has to be added the cost of furniture, architect's fees, &c.
